Equitable seeding of trial heats depends on the honest intent of those entered to compete. An athlete who is entered in an event, but does not compete, is taking that opportunity to compete away from another athlete. **COACHES MUST ENSURE THAT ATHLETES INTEND TO COMPETE IN ALL EVENTS FOR WHICH THEY HAVE BEEN ENTERED!**

HONEST EFFORT RULE:

The league will use the Honest Effort Rule for preliminary and final rounds of the League Championship.

Competitors who have qualified for and/or been accepted into more than one event, must honestly participate in the qualifying or final round in each event for which the athlete is accepted or has qualified, or the athlete will be barred from further competition in the meet.

Athletes must compete with maximum effort and/or qualify from trials into the finals.

Note 1: It is understood that passing on attempts in field events is a strategy in those events and is not considered a question of honest effort.

If a scratch or does not show occurs, the coach will be notified that the athlete scratched/DNS and will be removed from the remainder of their events going forward. If the athlete missed an event due to a medical or sufficient reason why, the coach must provide an explanation, get verification from medical or trainer and be cleared by the meet referee. Once cleared, the meet referee will turn in the appeal to the timer to clear the athlete to participate in further events.

ENTRY LIMIT RULE:

Please note that athletes may be entered in NO MORE THAN 4 events. Note that an athlete who is entered in fewer than 4 individual events may be entered on 1 or more relays, but may only compete in 4 total events. See NFHS Rule 4.2.2.

ENTRIES MUST BE SUBMITTED THROUGH [Athletic.net!](#)

Please log on to Athletic.net and complete the entry process for the “NBL Championship Trials” **NO LATER THAN 9:00 PM, SATURDAY MAY 3rd!** Please be sure to access the “NBL Championship Trials” [meet page on the Athletic.net website](#). Entries made through any other meet page on Athletic.net or on any other online service will NOT be accepted.

CONCESSIONS:

A full concession will be open, offering a wide range of food and beverage items, including bottled water, sports drinks, fruit, sandwiches, hamburgers, Indian Tacos and other snack items.

IMPORTANT RULE REMINDERS:

QUALIFICATION & ADVANCEMENT

It is imperative that athletes who are entered into a trial event intend to compete in the final of that event should they qualify.

To qualify is to win the right to participate in the next level of competition by meeting certain standards in an earlier race or flight. (NFHS 4.5.1)

If a competitor or relay team qualifies for an event through earlier competition in that meet and then withdraws, no substitute from his/her school or any other school may replace them. (NFHS 4.5.5)

CONFLICT IN EVENTS

Competitors who are entered in field events being held simultaneously must report to each event's official by the published event start time, otherwise the athlete will be scratched.

If the field event is in conflict with a running event, the athlete must secure a release from the field event official and report to the Clerk-of-the-Course.

Athletes are not to report directly to the starting line without checking in first with the Clerk-of-the-Course.

REMINDER: The time excused rule is 30 minutes. Officials must write down the time that the athlete is initially excused in order to enforce this rule. This is the total time an athlete may be excused from a field event before or between attempts. Failure to return to the event and execute an attempt within 30 minutes will result in the athlete being scratched from further competition in the event.

ELECTRONIC DEVICE RESTRICTIONS:

Electronic devices are not allowed in the field of competition. The field of competition includes the bullpen area, the track, each field event site and the infield. The use of electronic devices by athletes or coaches in these areas is grounds for disqualification.

PROTEST/APPEAL PROCESS (NFHS 3.2.4)

All protests are made to the Meet Referee. The Referee's decision is final.
